\*More flower and fruit sett

**FARMER'S TESTIMONIAL**

*Ang Cabrio Top meron talaga siyang kaibahan dahil ang Cabrio Top kahit pa anong madaanan siya ng ulan, kita ko na hindi basta-bastang tatamlay ang bulaklak at mabilis ang kaniyang Fruit setting.*

- Bernardo Lopez, Davao Del Sur

**TARGET PESTS:**

1. Anthracnose
2. Early blight

**TIMING OF APPLICATION**

Apply starting at late vegetative to flowering at 5-7 days interval
