**REGISTERED WITH THE FERTILIZER AND
PESTICIDE AUTHORITY PURSUANT TO P.D. 1144**

FPA REGISTRATION NUMBER: 005-083-0645

Net Content:

25KG

KEEP OUT REACH OF CHILDREN

DIRECTIONS FOR USE:

Apply **Kumulus® 80 DF** at the rates given below:

CROPS	DISEASES	RATE (Tbsp / 16L water)
Beans	Downy Mildew, Powdery Mildew	3.5-7
Citrus	Downy Mildew, Powdery Mildew	5-6
Pepper	Downy mildew, Powdery Mildew	6-7
Ornamentals	Downy mildew, Powdery Mildew	5-6
Papaya	Mites	5-6
Vegetables	Powdery Mildew	5-6
Solanaceous (e.g potato, tomato, eggplant)	Downy mildew, powdery mildew	5-6

1 Tbsp = 10g

COMPATIBILITY: **Kumulus® 80 DF** may be applied in tank mix with other crop protection products, growth regulators and foliar fertilizers. When using **Kumulus® 80 DF** in tank mixtures, add **Kumulus® 80 DF** first before adding the other products separately. Apply tank mixtures immediately. Do not leave overnight. Agitate frequently until spray is completed. **Kumulus® 80 DF** is not compatible with spray oils and products containing oils, dinotro-compounds and products containing letradifon.

RE-ENTRY PERIOD: After spray deposit has dried up

PROHIBITION/WARRANTY: It is a violation of FPA rules and regulations to use this product in a manner inconsistent with its label. No warranty of any kind, expressed or implied, is made concerning the use of this product. User assumes all risks and liabilities resulting from handling, user or application.

PRECAUTIONS: Read label before use. Observe standard safety precautions in handling pesticides. Do not eat, drink or smoke while using the product. Avoid contact with the skin, eyes and clothing. Avoid dust formation. Wear personal protective clothing, safety glasses, gloves and masks when mixing and applying the product. Wash all contaminated clothing and protective equipment before re-use. Take a bath and change to clean clothing after work. Store work clothing separately.

BABALA: Basahin ang label bago gamitin. Alamin ang tamang pag-iingat sa pag-gamit ng pestisidyo. Huwag kumain, uminom o manigarilyo habang ginagamit ang produkto. Iwasang malagyan ang balat, mata at damit. Magsuot ng damit pang-proteksyon, proteksyon sa mata, guwantes at mask kapag naghahalo at ginagamit ang produkto. Labhan ang mga ginamit na damit at hugasan ang mga kagamitan bago muling gamitin. Maligo at magpalit ng malinis na damit pagkatapos gamitin ang produkto. Ibukod ang mga ginamit na damit pantrabaho.

FIRST AID MEASURES: Remove contaminated clothing.

If inhaled: Keep patient calm, remove to fresh air.

On skin contact: Wash thoroughly with soap and water.

On contact with eyes: Wash eyes for at least 15 minutes under running water with eyelids held open.

On ingestion: Rinse mouth and then drink plenty of water.

SIGNS AND SYMPTOMS OF POISONING: No cases of human poisoning have been reported. However, signs and symptoms of poisoning include nausea, vomiting, headache, diarrhea, dyspnoea, cyanosis, stupor or agitation, deliria and convulsion. In case of inhalation, irritation of gastrointestinal mucosa or of mucous membranes, respiratory passages are observed.

NOTE TO PHYSICIAN: Treat symptomatically.

STORAGE AND DISPOSAL: Store in original container in a cool, dry place. Do not allow this product to become wet during storage. Keep the container closed when not in use. Segregate from foods and animal feeds. Keep away from heat. Protect against moisture. Protect from direct sunlight. Keep away from fire and sparks and isolate from oxidizing materials. Do not discharge into drains/surface waters/groundwater. Do not discharge into the subsoil/soil. Dispose empty containers in accordance with national and local regulations and requirements. Do not re-use empty containers.
