# Volley® 88 OL

SYSTEMATIC FUNGICIDE FOR BANANA  
SIGATOKA DISEASE CONTROL

Active ingredient (Fenpropimorph) 880 g/L  
Inerts 120 g/L  
Total 1000 g/L

REGISTERED WITH THE FERTILIZER AND PESTICIDE AUTHORITY  
PURSUANT TO P.D. 1144

FPA REGISTRATION NUMBER: EMERGENCY USE PERMIT

**KEEP OUT OF REACH OF CHILDREN**

**Net Content: 210 Liters**

HARMFUL

**Volley 880L** is an oil miscible fungicide formulation containing 880 g ai/L Fenpropimorph. It is a systemic fungicide that provide both preventive and curative control of banana Sigatoka (*Mycosphaerella* spp).

**Direction For Use:** Volley 880L should be applied in a spray-program with other fungicide used in Banana Sigatoka disease control. Spray at the rate of 440 g ai/ha aerially or by a motorized mist blower as a ULV using a spray volume of 30 to 40 liters per hectare of water-oil emulsion

CROP	DISEASE	RATE OF APPLICATION (L/HA)
Banana	Sigatoka	0.5 - 0.7

**Mixture:** The formulation of VOLLEY® 88 OL is designed to blend in suspension with pure plant oil or oil-water emulsions by adding an emulsifier. As oil suspension, Place the required amount of oil in the mixing tank and begin agitation. Add the required amount of VOLLEY® 88 OL and continue stirring the mixture for 5 minutes minimum. The total spray volume depends on the application method (spray equipment): low volume aerial application to 10-15 L / ha spray oil, ground equipment or motor nebulizer with 15-25 L / ha oil spray.

**Compatibility:** Compatible to fungicides used in banana disease control

**Re-Entry Period:** As soon as spray droplets dries

**Pre-Harvest Interval (PHI):** 0 day

**Storage and Disposal:** Store Volley 880L in original container, tightly closed, away from food and feed by storage or disposal. Tipple rinse container, then offer for recycling, or puncture and dispose-off in sanitary landfill

**PROHIBITION AND WARRANTY:**

It is a violation of the FPA rules and regulations to use this product in a manner inconsistent to its label. No warranty of any kind, expressed or implied, is made concerning the use of this product. User assumes all risk and liability resulting from handling use or application
