**Convey® Complete 310 SC** is a new formulation containing 10 g/L Topramezone and 300 g/L Atrazine. **Convey® Complete 310 SC** is a systemic, broad spectrum herbicide that provides excellent control of grasses, sedges and broadleaves weeds. It is absorbed thru the leaves and causes "bleaching" on new growth of treated weeds. It is applied as high volume spray at 240L/ha as mid to late post emergence spray.

**DIRECTION FOR USE:** Convey® Complete 310 SC should only be applied as a mid to late-post emergence spray in corn.

CROP	WEEDS CONTROLLED	RATE OF APPLICATION	
		L/ha	Tbsp. /16L
Corn	Grasses, Sedges and Broadleaves	2.5	16 2/3

\*1 tbsp = 10 mL  
\*\* Spray volume = 240 L/ha

**Mixing:** Fill 30% of the total water to knapsack sprayer. Add the recommended rate of **Convey® Complete 310 SC** then agitate. Add the rest of the water to complete the total volume then agitate to attain uniform mixture.  
**Compatibility:** **Convey® Complete 310 SC** is programmed to be sprayed alone. It should not be mixed with other herbicides, insecticides or fungicides.

**Re-entry period:** As soon as spray droplets dries or 24 hours after spraying.  
**Pre-harvest interval (PHI):** 45 Days  
**Timing of Application:** 10-21 days after planting

**Maximum number of applications per season:** 1 application  
**Storage and Disposal:** Store in the closed, original container in a dry, cool, well-ventilated area away from food, drink and animal feeding stuffs. Do not store for prolonged periods in direct sunlight. Do not re-use this container for any purpose. Triple-rinse empty container and spray out over treated field prior to disposal or recycling. Do not discharge into the subsoil/soil and drains/surface waters/groundwater. Dispose of in accordance with national and local regulations and requirements.

**PROHIBITION AND WARRANTY:** It is a violation of the FPA rules and regulations to use this product in a manner inconsistent to its label. No warranty of any kind, expressed or implied, is made concerning the use of this product. User assumes all risk and liability resulting from handling use or application.
